THE WARNER DRUG CO. OUR NEW FIXTURES

Have you visited our store since the new fixtures have been installed? You should see it. It will surprise you-being a complete change of affairs-we now have a larger space -in fact room for seven large, roomy tables and chairs for the serving of refreshments with the addition of more shelving room than we had under the old system of fixtures, Ours is a CITY DRUG STORE in every sense of the word.

WE WISH TO THANK THE LADIES OF EL PASO for their patience with us while the repair work was under way-we were torn up for a period of eight weeks-everything most thoroughly topsy turvy-but the patience that was displayed by our customers was wonderful indeed. Now, however, that we are again ready for business we feel we will again have the reputation for promptness. Do not forget our telephone numbers-731 and 732.

Our Kodak and Developing Department.

Can anything nicer be imagined than the photographing of some of the beautiful verdure and scenes that are encountered on the different auto trips that surround El Paso at the present time. We have the Seneca Camera in all prices, guaranteed in every way and if you want fine pictures for little cost get a Seneca. We have an immense stock of the films. Our Developing and Printing. Department is the best in the country and we guarantee the results with pictures entrusted to us for development and printing.

A 50 page, illustrated catalogue is at your order -call for it or telephone and have it sent to your home. Our out of town customers can simply drop a card and have the catalogue.

Our Cigar Stand.

Is now on the street in one of the best humidor cases that it is possible for us to get-the eigars are kept specially for this dry climate and will be found at JUST THE RIGHT HUMIDITY. We are in a position to care for your CIGAR wants in a manner that will prove most satisfactory. First: Our prices are the standard prices for the Standard makes of eigars.. We have delivery boys that are ready at all times to take to your room or home your order for eigars-be it large or small. We keep our Box Goods in a patent Humidor case, insuring proper care and they will retain their humidity for a long time. Telephone your cigar

Our Stationery Department.

This department of our store is being developed into a regular stationery store. Our leader, of course, being the famous Parisian Lawn, the nationally advertised stationery. We have this in the box goods from 35 to 75 cents per box. Pound paper 40 and 50 cents per pound. Correspondence Cards 60 and 75 cents. Envelopes of the same and to match the pound paper-15 cents per package. We have the fancy lined envelopes in all priced boxes. Also many other items which go to make a correspondence outfit complete. We pride ourselves on this department and know we can
